ENERGY STAR-Labeled Schools in Kentucky are celebrated! Since 2006, the Governor's Office has provided additional recognition of this achievement. Celebrations may be held during a school rally or school board meetings. Some have even been saluted in the Capitol Rotunda. Pictures in this pamphlet show some of these celebrations.

**Harmony Elementary— Oldham County Schools
2006—One of the first six school in Kentucky achieving
ENERGY STAR Labeled School**

**Caldwell County Schools—100% ENERGY STAR
2016**

**300th Kentucky ENERGY STAR School
Southside Elementary—Shelby County Schools
2016**

Why ENERGY STAR Schools?

According to the United State Environmental Protection Agency and Department of Energy at www.energystar.gov

- Schools spend more on energy than any other expense except personnel.
- A high-performance school doesn't have to cost more to construct than a conventionally built school.
- High-performance schools can lower a school district's operating costs by up to 30%.
- Energy is one of the few expenses a school can reduce without sacrificing educational quality.
- Schools are central to the communities they serve and should reflect community values – like energy and resource conservation.
- Schools are a great place to teach the nation's children about energy and resource conservation.

Each year ENERGY STAR awards Partner of the Year honors to organizations that make significant contributions to protecting the environment through superior energy efficiency. To date, three Kentucky school districts, along with Kentucky School Boards Association-School Energy Managers Project, have received this award.
