

CALL FOR PRESENTATIONS

16th Annual Safe & Healthy Schools and Students Conference!
November 15th -16th, 2010 Galt House East, Louisville

Sponsored by
the Kentucky School Boards Association and the Kentucky Center for School Safety

General Information:

A limited number of workshops will be available for individuals and groups interested in presenting during the newly expanded 16th Kentucky Annual Safe & Healthy Schools and Students Conference. Priority will be given to proposals that focus on the roles and responsibilities of students, school personnel and community resources that reduce threats, create a positive and healthy school culture and climate, remove barriers to learning and improve student achievement by focusing on the needs of the total child. Proposal must be received by May 14, 2010 to be considered for inclusion in the conference agenda.

Please take time to consider the following questions as you develop your proposal. **Does your proposal:**

- Promote best practices in school culture, climate and/or safety? (student connectivity)
- Focus on healthy choices and lifestyles that promote student and staff wellness?
- Have data that confirms that your program positively affects dropout rates, attendance, or academic achievement for all students?
- Encourage audience participation as opposed to simply lecturing?
- Provide "How To" strategies that others can replicate?
- Give at least one piece of information that your participants can take away to duplicate in their school/community?

The conference registration fee will be waived for up to two presenters per workshop. Additional presenters will be expected to pay registration if they plan to attend the conference. Limited funds are available for out-of-state travel expenses. All workshop rooms will be set up in classroom style unless another arrangement is requested. **You will be notified by July 30th, 2010 regarding the approval of your proposal.**

If you have any questions about the conference, please let us know. You can fax, mail or e-mail your proposal to the information below.
