Student Banners Commemorative Book

The display of student-designed banner artwork is one of the Kentucky School Boards Association's oldest and fondest Annual Conference traditions. Colorful interpretations of the conference theme, unique as the districts from which they came, serve as reminders of the motivation behind our members' call to public service. Because of the uncertainty of the pandemic, and the ongoing need to social distance, districts were asked to submit 2021 Annual Conference artwork electronically. This commemorative publication includes images of the banners submitted by districts by the print deadline. Artwork is provided in alphabetical order of districts.

KSBA, on behalf of our 857 members, is grateful to the talented students who contributed the designs and to the board members, administrators and educators who encouraged them.

Thank you to all the students, teachers and schools that worked on this year's Annual Conference banners.

We appreciate you helping us celebrate our conference with your creativity and hard work!
