2018-2019 IMPACT REPORT

Since its establishment in 1936, the Kentucky School Boards Association has sought to maximize the value of your membership – increasing awareness, advocating on your behalf in Frankfort, delivering quality services and forging mutually beneficial partnerships. During the 2018-2019 fiscal year, KSBA achieved new levels of success that directly impacted the quality of the resources enjoyed by Kentucky's 867 locally elected school board members and 173 superintendents. Here is a breakdown of KSBA's impact.
